

Looking at the Big Picture

Consider a Brixham Montessori Elementary Education

Do you have questions about how a Montessori education can serve children beyond the preschool years?

Join us for an informative session about Brixham's elementary classrooms and curriculum and learn:

- How a Montessori elementary classroom differs from a public school classroom.
- Montessori student's daily assignments and responsibilities.
- How Montessori students transition into other schools.
- How our students are empowered to seek knowledge beyond the classroom.

TUESDAY, FEBRUARY 7TH, 8:30am

Bring your curiosities and questions to our school library for coffee & treats, chat with the teachers and other elementary families and observe in the classroom.
